

MRN: 9485714

4/3/2008

Dawe Glover  
909 Kapiolani Blvd # 608  
Honolulu, HI 96814

TO WHOM IT MAY CONCERN

This is to certify that Mr. Dawe Glover has combined Graves Disease and Hashimoto Thyroiditis, which require life long treatment. Initially treatment for Hyperthyroidism (over-active thyroid), then for Hypothyroidism (under-active thyroid when thyroid "burns out").

Sincerely,

A handwritten signature in black ink that reads "Stanley A. Tan". The signature is fluid and cursive, with "Stanley" on top and "A. Tan" below it.

TAN, STANLEY A. (M.D.)
